9. Amenity Area.
  - The Chair suggested the Amenity Area could be planted with a few unusual fruit trees – perhaps a quince, a plum, etc. This was agreed. It would need some opening up to let more light in. The Chair would talk to the nearest neighbour. **Action: Chair**

10. Flooding Update. The Chair gave a flood prevention update. She was maintaining contact with WWT and constantly chasing for news on their progress and actions. They had had a contractor take some levels in the past few days, to help them decide on the right things to do. Manual ditch clearance had started and she would look at it. She was pushing for a bigger culvert pipe under the gateway that linked WWT and Cloatley Grange/Manor land, so it would allow more water through at any one time.
11. Footpaths Update. The Chair gave an update.

## MINUTES OF HANKERTON PARISH COUNCIL MEETING 7 JUL 25

- HANK 1 – there were still problems with signage and electric fences, and the wooden bridge appears unsafe. Stephen Leonard of Wilts Council is due to visit and advise.
- HANK 19 – essentially concluded. The correct route diagonally across Common End Farm land was signed and equipped with stiles and could be used, but the alternative route around 2 sides of the square was much easier to use.
- HANK 4 – Chair would talk to the farmer about reinstating the footpath after cultivation and seeding – the crop was now growing without interruption.

**Action: Chair**

12. Highways Update. The Clerk reported:

- In The Holt area Highways had promised that the under-road drain would be repaired later this year.
- The bus stop new pole was awaiting LHFIG action – next LHFIG in 2 weeks time.
- In the Dolmans Barn/Farm area of Cloatley Road where persistent running water had been noted in the past, after investigation by a Highways vactor machine it was now clear that there was no possibility of Highways action on drains, other than the possibility of digging a 'grip'; it would need householder action.

13. Risk Register Review.

- 1.1 – the PC to review the under-insuring of the bus shelter at the next meeting.
- 8.2 – as agreed at Item 8, insurance cover to be reviewed at the next meeting.
- 9, 9.1 – no longer needed, as the new PC website met legal accessibility requirements.

14. Planning. Decided at Wilts Council since the last meeting: Plot 11 Follyfield – approved, after a compromise that entailed reducing the plan from 2 garages to one thus enabling the new No 11 to be a garage width further away from No 10.

15. Cllrs Observations and Items for Next Meeting.

- Clerk had asked Durnford Landscapes to now cut the village verges.
- Hillwell-Follyfield footpath – the Parish Steward had strimmed the nettles.
- Parish Steward was due next Monday – any tasks for him?
